[1] MSRP excluding tax, title, license, Registration, destination charges & options. Dealer prices may vary [2] Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. [3] WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. [4] Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. [5] All Mercedes-Benz mbrace® services operate only where cellular and Global Positioning Satellite signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. An mbrace® Package trial period is offered on new, Certified Pre-Owned and pre-owned sales and leases at an authorized Mercedes-Benz dealer. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required in order to use certain services. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. See your dealer or MBUSA.com/mbrace for details. [6] HomeLink and the HomeLink house icon are registered trademarks of Johnson Controls. [7] HOLD feature does not replace the parking brake and is not to be used for parking. Driver should not exit the vehicle while HOLD function is activated. See Operator's Manual for important warnings and information. [8] While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. [8] Visit <http://www.mercedes-benz-mobile.com/us/en/> to learn more. [9] Bluetooth® interface does not provide phone charging or external antenna. Voice interactivity feature is dependent on selected handset. Phone sold separately. [13] Sport steering wheel is excluded from Wheel Packages if either the heated steering wheel or wood/leather steering wheel is ordered. [13] An offer on the combined monthly rate is offered when the mbrace® PLUS and Mercedes-Benz Apps Packages are ordered together. Please see your dealer. [14] mbrace® PLUS package is an additional monthly charge, mbrace® package required.
