

Mercedes-Benz of Austin

2013 S550 Sedan

Quite possibly the only car on earth that doesn't aspire to be anything but itself.

With iconic design, groundbreaking innovation and a legacy of leadership, the 2013 S-Class continues to foretell what other automobiles might someday be, and what we'll treasure from today.

[1] MSRP excluding tax, title, license, registration, destination charges & options. Dealer prices may vary [2] 2013 EPA estimated fuel economy. Compare the estimated mpg to the estimated mpg of other vehicles. You may get different mileage depending on how fast you drive, weather conditions and trip length. Your actual highway mileage will probably be less than the highway estimate. [3] No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires. [4] Not available on models equipped with Active Body Control (ABC). [5] Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. [6] WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. [7] Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST® may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. [8] PRE-SAFE® closes the side windows when the system's sensors detect side movements that suggest a possible rollover. A small gap is left near the fully closed position. [9] Rear view camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the camera. [10] All Mercedes-Benz mbrace® services operate only where cellular and Global Positioning Satellite signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. An mbrace® Package trial period is offered on new, Certified Pre-Owned and pre-owned sales and leases at an authorized Mercedes-Benz dealer. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required in order to use certain services. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. See your dealer or MBUSA.com/mbrace for details. [11] While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. [13] The purchase or lease of a new, satellite radio-enabled Mercedes-Benz includes a 6-month trial of the Sirius All Access package, and 6 months of SiriusXM Traffic service. Check with your wireless provider about data usage while using SiriusXM Internet Radio on a mobile device. If you decide to continue your SiriusXM service at the end of this period, all SiriusXM services are sold separately, and the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms, www.siriusxm.com. Sirius U.S. Satellite service available only to those at least 18 years of age in the 48 contiguous United States, DC and Puerto Rico (with coverage limitations). While the Sirius network of satellites and terrestrial antenna provides nearly seamless service throughout the contiguous U.S., Sirius service may be unavailable or interrupted for a variety of reasons, including environmental or topographical conditions; in certain locations such as tunnels, parking garages, or within or next to large buildings; or near other technologies that can interfere with the Sirius signal. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. [14] An offer on the combined monthly rate is offered when the mbrace® PLUS and Mercedes-Benz Apps Packages are ordered together. Please see your dealer. [15] mbrace® PLUS package is an additional monthly charge, mbrace® package required.
