- Speed Alert
- Internet Browse
- Yelp™
- Facebook
- News
- Destination/Route Download
- Google™ Local Search with Street View and Panoramio

[1] MSRP excluding tax, title, license, registration, destination charges & options. Dealer prices may vary. [2] No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires. [3] Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. [4] Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. [5] WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. [6] PRE-SAFE® closes the side windows when the system's sensors detect side movements that suggest a possible rollover. A small gap is left near the fully closed position. [7] The roll bar system is designed to enhance the level of rollover protection compared to a vehicle without one. No system, regardless of how advanced, can eliminate the chance of injury in an accident. Please always wear your seat belt. [8] Driving while drowsy or distracted is dangerous and must be avoided. [9] ATTENTION ASSIST® may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. [10] All Mercedes-Benz mbrace® services operate only where cellular and Global Positioning Satellite signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. An mbrace® Package trial period is offered on new, Certified Pre-Owned and pre-owned sales and leases at an authorized Mercedes-Benz dealer. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required in order to use certain services. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. See your dealer or MBUSA.com/mbrace for details. [11] HomeLink and the HomeLink house icon are registered trademarks of Johnson Controls. [12] While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. [13] The purchase or lease of a new, satellite radio-enabled Mercedes-Benz includes a 6-month trial of the Sirius All Access package, and 6 months of SiriusXM Traffic service. Check with your wireless provider about data usage while using SiriusXM Internet Radio and SiriusXM Weather on a mobile device. If you decide to continue your SiriusXM service at the end of this period, all SiriusXM services are sold separately, and the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms. [14] All iPod® devices are sold separately. Feature not compatible with iPod Shuffle and Apple 8-PIN "Lightning" connector. See dealer for details. iPod is a registered trademark of Apple Inc. [15] Bluetooth® interface does not provide phone charging or external antenna. Voice interactivity feature is dependent on selected handset. Phone sold separately. See dealer for a list of approved compatible phones. Bluetooth® is a registered trademark of Bluetooth® SIG, Inc. [16] An offer on the combined monthly rate is offered when the mbrace® PLUS and Mercedes-Benz Apps Packages are ordered together. Please see your dealer. [16] mbrace® PLUS package is an additional monthly charge, mbrace® package required.
