

Mercedes-Benz of Austin

2013 SLK350 Roadster

Relishes the redline, Respects the blue sky.

Shaped by a rich racing heritage and the wind through which it slices, the SLK-Class wraps purebred performance in perfectly proportioned muscle. From its crossblade grille to its signature power hardtop, its passion is expressed openly. LED lighting adds scintillating style to the inner strength that its alluminum-trimmed roll bars assert.

- Facebook
- News
- Destination/Route Download
- Google™ Local Search with Street View and Panoramio

[1] MSRP excluding tax, title, license, Registration, destination charges & options. Dealer prices may vary. [2] No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires. [3] Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. [4] Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions. [5] Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST® may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. [6] WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS. [7] All Mercedes-Benz mbrace® services operate only where cellular and Global Positioning Satellite signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. An mbrace® Package trial period is offered on new, Certified Pre-Owned and pre-owned sales and leases at an authorized Mercedes-Benz dealer. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required in order to use certain services. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. See your dealer or MBUSA.com/mbrace for details. [8] HomeLink and the HomeLink house icon are registered trademarks of Johnson Controls. [9] HOLD feature does not replace the parking brake and is not to be used for parking. Driver should not exit the vehicle while HOLD function is activated. See Operator's Manual for important warnings and information. [10] While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area. [11] The purchase or lease of a new, satellite radio-enabled Mercedes-Benz includes a 6-month trial of the Sirius All Access package. Check with your wireless provider about data usage while using SiriusXM Internet Radio on a mobile device. If you decide to continue your SiriusXM service at the end of your trial, all SiriusXM services are sold separately, and the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel. See SiriusXM Customer Agreement for complete terms, www.siriusxm.com. Sirius U.S. Satellite service available only to those at least 18 years of age in the 48 contiguous United States, DC and Puerto Rico (with coverage limitations). While the Sirius network of satellites and terrestrial antenna provides nearly seamless service throughout the contiguous U.S., Sirius service may be unavailable or interrupted for a variety of reasons, including environmental or topographical conditions; in certain locations such as tunnels, parking garages, or within or next to large buildings; or near other technologies that can interfere with the Sirius signal. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. [12] All iPod® devices are sold separately. Feature not compatible with iPod Shuffle and Apple 8-pin "Lightning" connector. See dealer for details. iPod is a registered trademark of Apple Inc. [13] Bluetooth® interface does not provide phone charging or external antenna. Voice interactivity feature is dependent on selected handset. Phone sold separately. See dealer for a list of approved compatible phones. Bluetooth® is a registered trademark of Bluetooth® SIG, Inc. [14] HD Radio is a proprietary trademark of iBiquity Digital Corporation. [15] An offer on the combined monthly rate is offered when the mbrace® PLUS and Mercedes-Benz Apps Packages are ordered together. Please see your dealer. [16] mbrace® PLUS package is an additional monthly charge, mbrace® package required.
